LEADING SUPPLIER OF KEGS AND BEVERAGES

Welcome to JF Kegs.

We are a well-established local Company successfully serving local pubs, clubs, hotels & restaurants since 2002. We stock all major kegs of beer & cider as well as an extensive range of spirits, bottled beers/ciders, wines and soft drinks.

We have a large fleet of vans and delivery is usually within 24 hours, if not the same day. We cover North Fife, Perth, Dundee, Angus and now up beyond Aberdeen.

We accept most major credit and debit cards or cash payments. You can place an order either directly to JF Kegs or to your local Salesperson. For regular orders, why not contact us about opening an account.

The Company will introduce a minimum invoice value for the continued free delivery of goods. The minimum spend per invoice will be £150 + V.A.T. Order values below this level will incur a delivery charge of £10.

All products supplied by the Company in good faith and subsequently requested to be returned by the Customer will incur a returns handling charge equal to 10% of the invoiced value of goods. This will contribute towards the associated labour, distribution and administrative costs of returns.

The Company will only accept returned goods in saleable condition and with original packaging intact.
